

Summer Festival of Flavours ...

First Unitarian's mini-catalogue of summertime meals with church friends

Choose from a dozen ways to enjoy good food, good friends *and* raise money for the church to boot

How about skipping one or two of your "same old" restaurant meals this summer and instead choosing one (or more) of these outings with congregational friends. You'll have a lovely time and help us raise money for the church at the same time. All funds donated to the church operating budget as part of this year's Festival Committee activities.

Tickets sold in the church foyer after every Sunday service...while they last!

A few more tasteful ideas

Feeling extra generous? Review this catalogue with a congregant for whom \$25 might be too much of a stretch - buy him/her a ticket to the chosen outing.

New to the congregation? Here's a great way to connect with more people in settings that are just as friendly and invigorating as church!

More catalogue choices this fall. Watch for our two fall catalogues offering:

- more dinner selections for the coming church year
- a great selection of services

Food or pet allergies? Please check when buying your tickets and also be sure to advise your hosts.
